Dear Trinity Supporter,

What a transformative year the past 12 months have been for Trinity School! **This is truly a season to give thanks!** Not only did we move into our historic Edgemere location and develop our seamless remote teaching capability, but we also added several passionate and experienced teachers to our faculty. I'm incredibly grateful for the community of individuals that **makes Trinity a school that changes the lives of our students and their families.**

Over the last year, we've invested in expert staff, technology resources, and innovative programs to enable our students to achieve their fullest potentials. What a blessing every day to see the impact firsthand! I'm glad that, despite the many challenges of 2020, our student population grew, and continues to grow. **Students are energized and excited about attending Trinity!**

None of this amazing year would be possible without the generosity of our Trinity Partners and Families. Your contributions to last year's Annual Fund enabled us to provide guitars and other instruments to our burgeoning music program and to support Tiger student athletes with school-owned uniforms and warm-ups so everyone has the opportunity to participate! **We've also upgraded our teachers' ability to provide on-going instruction through remote video teaching using Google Classroom should a pivot to remote teaching be needed.**

With your help, we continue to provide best-in-class services to students with learning differences. We are grateful in advance for whatever donation you'll make to this year's **Annual Fund**. This academic year, **our total giving goal is \$75,000.** Our Annual Fund bridges the gap between our tuition and operational costs. Meeting our Annual Fund goal has an immediate, tangible benefit, providing students with programs, special technology initiatives, need-based scholarships, and more. **Every dollar counts and increases our ability to secure grant funding!**

On behalf of our Board of Trustees and everyone who works tirelessly to make Trinity School a place that is loved by so many, we thank you for your continued support and ask that you join us with a gift to the 2020-2021 Annual Fund. **Thank you for making a difference in the life of our Tigers!**

With gratitude,

A handwritten signature in blue ink that reads "Jamie B. Lewallen".
